

## **Fenerate Consulting Opens Branch Office in Switzerland**

**Fenerate Consulting, a top boutique business and management consulting firm, continues its steady growth by announcing today the opening of its branch office in Zug, Switzerland.**

New York, NY – January 29, 2015 – Fenerate Consulting, Inc. announced today the expansion of its consulting services into Europe. The new branch office is located in Zug, the heart of Switzerland. Zug is an attractive residential region as well as a preferred business location. It offers a broad but focused mix of sectors that is business-friendly and near other international and European business headquarters.

“I am extremely proud and very excited about our new office in Zug, Switzerland,” said Andreas Mulchi, CEO and managing partner of Fenerate Consulting. “There are so many opportunities with clients in Europe, and Switzerland in particular, that we now can attend to from our office in Zug.”

With its new consulting office in Zug, Fenerate is primarily targeting small to mid-sized businesses. The industry sectors covered from the Switzerland office are in line with Fenerate’s overall focus on private banks, investment banks, semiconductor equipment manufacturers, and automotive suppliers. According to Mulchi, the current European demand for consulting services is focused on efficiency gains and consolidation of production footprints.

Fenerate Consulting is a top boutique business and management consulting firm headquartered in New York City with a branch in Zug, Switzerland. Fenerate operates primarily in the United States and Europe, serving small to mid-sized companies as well as start-ups. The service offerings comprise strategy and business consulting, strategy execution, implementation support, transformation management, and competency development.
